## Summer Edition

[www.stonestreetstravel.com.au](http://www.stonestreetstravel.com.au)

78 Warwick St, Toowoomba

**1800 673 337**

**SUMMER** is well and truly upon us with hot days and very little rain to date. Let's hope that all changes very soon, not just for us but all those suffering the terrible drought throughout Australia. It's amazing to think that just a few days ago there was snow falling in the Alpine regions of NSW and Victoria.

Our dedicated Travel Team at Stonestreets are really looking forward to another great year of touring in 2020.

They have created some fabulous tours to many exciting new destinations. You can find out more about these tours and some of the tours in this edition of Travel Club News.

Our tours to the outback stations and regions really help those who are struggling with the drought. Every little bit helps and hopefully the extreme weather and drought conditions will change soon.

We wish each of you a Merry Christmas and a Safe Happy New Year and look forward to travelling with you in 2020

Bev and Phil, Darren, Sue, Jacqui, Tracey and Rob.

## FULL STEAM AHEAD FOR STONESTREETS TRAVEL

The sale of Stonestreets Coaches to Premier Queensland has been completed and the transition of separating the two businesses, Stonestreets Coaches and Stonestreets Travel is well underway. In the sale, Premier Queensland purchased the school bus and charter bus services as well as the land and buildings adjoining our original block - where our Reception office is located.

Stonestreets Travel and the Travel Team have been retained by Phil and Bev who have committed to its future and will continue to operate Stonestreets Travel as normal from our office at 78 Warwick Street as it has done so for the past 25 years. So It's full steam ahead!

Tour bookings and enquiries for Stonestreets Travel can be made directly with Darren, Sue, Jacqui and Tracey by calling in to our office or by calling **1800 673 337**.

Merry Christmas

## ANTARCTICA DISCOVERY TOUR

What a week we had for Stonestreeets Travel's trip to Adelaide with the highlight - an Antarctica Discovery flight. Perfect weather with clear blue skies over Antarctica made for some awesome shots over the sea ice and continental area. This is certainly a must do scenic flight, so put it on your bucket list for next year on our next Antarctica Discovery Tour in 2020. Call Sue or Darren to avoid missing out.

# LORD HOWE ISLAND

by Bev

Here I am, sitting on a bench overlooking the breathtakingly beautiful Emerald Lagoon, gazing west towards Australia. It could be a million miles away but it's only 400km 'hop' east from Port Macquarie. I smile as I recall something our island guide said, "Australia is an island off the west coast of Lord Howe Island".

With a total land area of just under 15 square kilometres and a population of around 400, Lord Howe Island is tiny. However, we learned on our recent stay that Lord Howe Island is ranked within the top 5 holiday destinations. Now I can see why! The locals are very welcoming and proud of their island and delight showing you around, explaining how hard they work keeping their little piece of paradise just that... paradise.

Even though the island is small it is jam-packed with things to do; bird watching, snorkelling, paddle boarding, kayaking, golf, fish feeding, boat cruises to see the Turtles and view the coral, walking trails, bike riding or simply relax on a beach.

For the locals, island life does have some challenges. All supplies come by boat each fortnight from Port Macquarie weather and tide permitting. Locals shop for groceries on-line which is delivered on each boat.

A school on Lord Howe (children all walk barefoot to school) caters for primary education however, when a child reaches secondary education, parents make the agonising decision whether to home school or send their children to boarding

school on the mainland.

Our visit to Lord Howe was beautiful and the weather was absolutely perfect. We managed to view the red tailed tropical birds, sooty terns, masked boobies and see some of the fluffy little young ones on Roach Island.

With my weak stomach, I was pretty stoked to complete the boat tour around the island without feeling nauseous! We cruised to Mutton Bird Island, saw Balls Pyramid in the distance and the sheer peaks of Gower Mountain which people climb to take in the views.

I'm so glad I got the opportunity to host this tour to Lord Howe Island. The trip was made even more special thanks to our local guides, Peter and Rambling Ron and to all the friendly locals. But it was the other members of the Stonestreets Travel group who I wish to thank for making my trip to Lord Howe Island THE BEST!

# CENTRAL EUROPE

with Darren

Parliament House Budapest

Just recently, Darren hosted a group of happy travellers to see the sights of Central Europe- a tour that Sue, our International Travel expert arranged. From all reports the group, and Darren had a fantastic time and saw some amazing sites as you will see here in some of darrens pictures of this tour

# Let us introduce you to a member of the Stonestreets Travel

**Jacqui Prendergast** has been an important member of Stonestreets Travel family for many years and has kept herself busy producing popular Day Tours for our Travel Club Members. She also goes out to visit Lifestyle villages throughout South East Queensland promoting all of Stonestreets fabulous tours. Somehow, she finds the time to be Hostess on tours too!

When Jacqui is not out and about she works tirelessly in Reception answering phones and taking many bookings.

We asked Jacqui to tell us a little about herself and she wrote: *"Be careful of what you wish for. I have always wished for my 3 children to have their children close together so they could all grow up with their cousins, like I did as a kid. Next year I will have 3 grand babies and two weddings in 12 months!!! I could not be happier."*

## WHAT'S ON OFFER?

At Stonestreets we do more than just great tours! We are also a fully licensed travel agency with access to the same fantastic travel deals on cruises, flights, accommodation and tours all around the world. Next time you're thinking of travelling, speak to the local team who have been "going the extra mile since 1993". Phone Darren and Sue on: (07) 4687 5566

The World War I & II Battlefields of Europe are significant for many Australian travellers and for over a decade our very own expert Battlefields guides have been offering group and personalised tours to sites on The Somme, Flanders, Pozieres and more. With Stonestreets Travel, you can add personalised Battlefields tours to your next holiday in France, Belgium or even Gallipoli & other conflict sites.

Do you belong to a group, team or club? Stonestreets Travel can help you plan your next group adventure! With access to group rates on airfares, accommodation, tours and travel insurance, we can create a travel package for you and your fellow travellers to anywhere in the world! Whether it's sports, art, music or simply travel that you're interested in, we can tailor an economic and effortless adventure!

Follow our World War 1 Soldiers and pay your respects at the ANZAC Day 2020 service in Gallipoli, then journey to the Somme and Flanders battlefields to visit further major Australian and New Zealand Battlefield sites lead by our experienced Australian and New Zealand battlefields guide. Listen to the stories of our brave soldiers, who travelled far from their homes and now Rest in Peace.

At the D-Day landings site you'll be amazed by stories of the Landing and the WW11 Pilots who landed their gliders with such precision. Small group touring ensures you will visit some of the many isolated cemeteries and battlefields.
